COACHBUILDER INFORMATION UPDATE

Date: May 28, 2013
Bulletin Number: XTS 21
Subject: Joe Pennington Contact Information Change

This bulletin is to inform you of important information related to the Cadillac Professional Vehicle Program.

As of June 1st, Joe Pennington will have a new assignment within the GM Engineering organization. He will remain in a support role to the Cadillac Master Coachbuilder Program, but in his new role, Joe will interact with CMCs for quality reviews and process assessments only.

For questions regarding these items, Joe can be reached at joe.pennington@gm.com or 586.907.1691.

The balance of the CMC Program management responsibilities will transfer to Ray Bush. Details about his assumed responsibilities will follow in a separate bulletin.

Please make note of the change in contact information. Thank you.
